

March 2023

Dear Supporter of Arts Education,

My name is Dr. Elizabeth Meszaros and I serve as the Executive Director of the Bay Youth Orchestras of Virginia (BYOV). BYOV is one of the largest youth orchestra programs in the country, composed of more than three hundred young musicians from the Hampton Roads area who receive advanced training, instruction and mentorship through our tuition based program.

The BYOV Board of Directors would like to invite you to be a part of our organization's season. We would be honored to have you as a sponsor and offer many different levels for you to direct your support. Your support will also directly provide more students with coaching opportunities with professional musicians, fund performance opportunities in Hampton Roads' fine concert venues, and help us with the purchase of instruments, music and other supplies that will directly benefit our students. We also support a substantial scholarship program to provide full or partial scholarships for those students who display unique talents with financial need.

We appreciate your consideration of our mission and our current and/or upcoming season. We are excited for the opportunity to promote BYOV to the general public, and raise both awareness and funds for our program of work. Please consider joining us as a sponsor partner!

Sincerely,

Dr. Elizabeth Meszaros
